

Ultima Engine List

Engine Name	Description	Horsepower	Price
6.2L LS Ultima engine	565 hp @6100 rpm, 540 ft. lbs. torque @4400 rpm, 11.0 comp., fuel injected, all aluminum. Emission legal in 49 U.S. states, Turnkey	565 hp	POR
6.2L LS Ultima engine	480 hp @6000 rpm, 475 ft. lbs, torque @4400 rpm, 10.7 comp., fuel injected, all aluminum. Emission legal in 49 U.S. states. Turnkey	480 hp	POR
7.0L LS Ultima engine	565 hp @6000 rpm, 536 ft. lbs. torque @5200 rpm, 11.0 comp., fuel injected, dry sump, all aluminum. Emission legal in 49 states, Turnkey	565 hp	POR
7.0L LS Ultima engine	650 hp @6000 rpm, 580 ft. lbs. torque @5300 rpm, 11.0 comp., fuel injected, dry sump, all aluminum. Emission legal in 49 U.S states. Turnkey	650 hp	POR
7.0L LS Ultima engine	700 hp@6600 rpm, 625 ft. lbs. torque @4500 rpm, 11.5 comp, dry sump, all aluminum, fuel injected. Emission legal in 49 states. Turnkey	700 hp	POR

NOTE: Aluminum alloy blocks available at extra cost.

Turnkey engine packages include: Holley or Quick Fuel carburetor, MSD or Mallory distributor (w/rev control on 480 hp and up), MSD coil, 8mm premium ignition wires and spark plugs, billet aluminum pulleys, HD aluminum water pump, thermostat, HD motor mounts, HP Powermaster 80 amp low mount alternator, hi-capacity road race oil sump, billet fuel line, Hi-flow 14" air filter, chrome or polished aluminum rocker covers. All engines are blueprinted, balanced, assembled and dyno tested. Horsepower figures are SAE corrected horsepower ratings on American Speed's water brake dyno. Additional custom accessories available at extra cost. Prices do not include shipping, crating or handling charges.

Please note: All Ultima Sports cars are subject to parasitic horsepower loss attributed to type and condition of transaxle, gear ratios, exhaust system mufflers and catalytic convertors.
